About Us

Rahul Steels is a trusted name in the industry, recognized as a supplier, trader, and wholesaler of high-quality mild steel products. With a legacy built on precision engineering and an unwavering commitment to quality, the company offers an extensive range of industrial u shape mild steel channel, c shaped mild steel channel, mild steel i beam, mild steel joist beam, ms joist beam, industrial black mild steel flat bar, mild steel square bar, tata tisco mild steel bright bars, and hot rolled mild steel sheet. Every product is designed to deliver superior structural strength and versatility across construction and manufacturing sectors.

Over the years, our company has earned a reputation for providing mild steel products that meet international standards and cater to a wide spectrum of applications. Consistent quality control ensures that each product is dimensionally accurate, rust-resistant, and capable of withstanding high loads. Whether it's bulk orders or customized specifications, the team focuses on offering competitive pricing, bulk order discounts, and just-in-time delivery, making the procurement process smooth and efficient. Technical consultation services and certified material testing further reinforce the company's promise of reliability. The combination of decades of industry expertise, an extensive nationwide distribution network, and industry-leading customer support allows the company to forge lasting relationships with clients.
