About Us

At Praveen Enterprises, we take pride in providing only the best in high-quality Rolling Shutters & Motors. Our products include a wide range of shutter components and industrial motor applications, with an emphasis on durability, security and seamless operation. We have decades of experience in producing premium grade shutter springs, guides, pulleys, GP coils and industrial woven mesh products.

Praveen Enterprises has invested heavily into creating a state-of-the-art fully integrated manufacturing facility. Our facility was built with efficiency, precision and uncompromising quality in mind. Every step of the production process, from the initial raw material processing through final assembly, is performed under one roof; this enables the company to produce a constant flow of quality products, with rapid turnaround times, while keeping our costs low. Praveen Enterprises employs the latest in automated plant machinery, along with rigorous quality control processes to ensure that our finished products conform to both national and international standards.
