About Us

Trikul International Private Limited is a well-established organization dedicated to delivering high-quality door solutions for safety, security, and durability. Founded in 2005 and based in Noida, Uttar Pradesh, we operate as a manufacturer, exporter, and supplier with a strong industry presence. Our expertise lies in providing advanced door systems that meet modern infrastructure requirements. With years of experience, we have built a reputation for reliability, consistency, and customer satisfaction. We offer a wide range of products including Steel Metal Fire Resistant Door, Stainless Steel Doors, Dorset Door Closer, Rated Emergency Fire Exit Door and Geze Door Panic Bar. Our product portfolio is designed to cater to residential, commercial, and industrial applications. Each product is developed with precision to ensure functionality, strength, and compliance with safety standards. Our solutions are suitable for various environments where safety and durability are critical.

We prioritize understanding the specific needs of our clients. Our team works closely with customers to provide tailored solutions that match their project requirements. We ensure smooth coordination, timely delivery, and responsive service throughout the process. Our commitment to professionalism and transparency helps us build long-lasting business relationships across domestic and international markets.
