## About Us

Rajhans Chemicals & Plastic Industry is a renowned name in the plastic sanitaryware market. In 1980, we commenced our business after deeply analyzing the markets and expectations of customers. We serve the industry as a proficient manufacturer by creating and supplying top quality PVC Angle Tap, Red Bib Cock, Connection Pipe, Floor Trap, Hose Connector, PVC Hose, Round Soap Sleeves, Smart Pillar Tap, Flexible Waste Pipe, and many other products. With high focus on design accuracy and durability, we create every batch of our product-line. We develop our sanitary use items in many designs, shapes, sizes, and specifications that further allow us in fulfilling demands of a huge clientele.

We regularly register high demands for our product-line. We fulfill this demand by maintaining an excellent production rate. With the support of our skilled workers and maintained cutting-edge facilities, we develop products in a good volume and serve customers with brilliance.
