BP CASTOR OIL

ETHOXYLATED CASTOR OIL

PURE CASTOR OIL

About Us

We, Jayant Agro-Organics Ltd., have developed a strong belief system in processing premium-grade Blown Castor Oil, Pure Castor Oil from quality castor seeds and with the help of advanced processing technology. Being India's one of the top Blown Castor Oil manufacturers and exporters, we have improved preparation methods as well as make the Sulfated Castor Oil subject to attributive assessment and validation in order to retain the purity and extend the industrial application areas. With extensive experience in product processing & marketing and immutable perseverance, we have explored the new horizons of Castor Oil industry that has become the standards in this segment. We have been offering the best in this sphere to the competitive world of trade.

Jayant Agro-Organics Ltd. gives immense focus on indigenous R&D that results in the improvement of manufacturing process and the quality of products. We have adopted very simplified model for quality validation that starts from very beginning of the preparation process including raw material check. Our competence is to comply with the superior level of global quality standard and ensure higher extent of customer satisfaction.
