About Us

Established in 2021 and headquartered in Faridabad, Haryana, NVA Technomech has rapidly emerged as a trusted manufacturer, supplier, and service provider of top quality industrial equipment. With a commitment to precision engineering, innovation, and customer satisfaction, we specialize in delivering reliable solutions that enhance operational efficiency across diverse industries. We design and manufacture a wide range of products, including Industrial Oven, Vibratory Bowl Machine, Hydro Cyclone Sand Washer, Electric Control Panel, PU Wheel and so on, catering to the specific needs of our clients. Each product is crafted using advanced technology and high grade materials, ensuring durability, consistent performance, and adherence to international standards.

Our dedicated team of engineers, technicians, and support staff works closely with clients to understand their operational requirements, offering customized solutions and prompt after sales service. From concept to installation and maintenance, we ensure seamless execution at every stage, making us a preferred partner for industries seeking dependable industrial equipment.

Key Facts

No of Staff	10
Year of Establishment	2021
OEM Service Provided	No

Our Products

Hydro Cyclone Systems

50 Ton Hydro Cyclone Sand Washer

50L Vibratory Bowl Machine

20L Vibratory Bowl Machine

100mm Polyurethane Roller

200mm Polyurethane Roller

300kg Polyurethane Rubber Roller

20 Ton PU Dewatering Screen

10 Ton PU Dewatering Screen

100A Electric Control Panel

500W Industrial Finned Tubular Heater

50TPH Industrial Hydro Cyclone

1000 LPH Poly Dosing System

PU Mats

Electric Control Panel

Dosing System
