

MARUTI INTERNATIONAL

LED Machine Lamp

Smart LUX LED Machine Lamp Flexi type

The Maruti Product Machine Lamp was developed & Designed as a modular system. Besides The innovative and Eco-Friendly LED-Technology the main focus was to create a cost-effective system. Featuring a flexi type new design with waterproof luminary highly efficient technology with a LED Powered by OSRAM Germany.

Product Data :

Product code	:	MI-CNC LED Machine Lamp 14-22-36 watt.
Number of light	:	1 LED PL
Lamp Source Color	:	6500 K
Lamp Power	:	14-22-36 Watt
Control Gear	:	110 V to 240 V AC Or 24 DC
Protection Class	:	As per Ip67
LED Luminous Efficiency	:	≥ 110 lm/w
Beam Angle	:	120 deg.

Internal Ballast Models	I/P Voltage	Length in mm approx
MI CNC LED 14 Watt.	110-240 V AC / 24 DC	370 mm
MI CNC LED 22 Watt.	110-240 V AC / 24 DC	510 mm
MI CNC LED 36 Watt.	110-240 V AC / 24 DC	580 mm
