## Indian Railways: रेलवे स्टेशनों पर लगी ऑटोमेटिक वेंडिंग मशीन, ऐसे मिलेगा मास्क-सेनिटाइजर

Indian Railways Automated Face Mask and Hand Sanitiser Dispenser Machine Railway Stations: समस्तीपुर रेल मंडल के डीआरएम ने बताया कि समस्तीपुर और दरभंगा स्टेशन पर ऑटोमेटिक मास्क और सेनिटाइजर वेंडिंग मशीन के सफल होते ही मंडल के अन्य स्टेशनों पर भी जल्द शुरुआत कर दी जाएगी.

[Read the article on aajtak.intoday.in >](#)

## जंक्शन पर एटीवीएम से लीजिए मास्क- सेनेटाइजर

पटना जंक्शन पर रेलवे ने ऑटोमेटिक वेंडिंग मशीन से मास्क और सेनेटाइजर वेंडिंग मशीन लगाई है। दानापुर मंडल ही नहीं यह अपनी तरह का मशीन लगाने वाला देश का पहला स्टेशन बन गया है। अब दानापुर रेल मंडल अन्य प्रमुख स्टेशन पर यह मशीन लगाएगा। इस मशीन से अब यात्री मशीन के कियोस्क में पैसे डालकर मास्क या सेनेटाइजर ले सकेंगे। निदेशक डॉ. नितेश कुमार ने बताया कि डीआरएम दानापुर की पहल पर मशीन लगाई गयी है।

इसको प्लेटफॉर्म नंबर एक पर मुख्य प्रवेश द्वार के पास लगाया गया है। इसमें निर्धारित पैसे डालने के बाद लोग जरूरी चीज ले सकेंगे। मशीन के लगाने के बाद कई रेलवे यात्रियों ने इसका फायदा भी उठाया। सीटीआई शिव कल्याण ने बताया कि यात्रियों के लिए एन 95 मास्क की कीमत 80 और 100 रुपये है, जबकि सेनेटाइजर की कीमत 50 और 100 रुपये है। अब यात्री को इसके लिए परेशान नहीं होना होगा।

Aman Mittal @reachamanmittal · Jun 1

In a first over IR, An automatic vending machine for Mask, Sanitiser and Gloves has been setup at Nagpur Railway station by commercial branch as an essential Passenger amenity to fight #COVID

Showing the way forward, it is set to become a norm.

चिंता की क्या बात जब रेलवे है आपके साथ: जो यात्री मास्क व सेनेटाइजर लाना भूल गये हैं, उन्हें चिंता की जरूरत नहीं, पटना जंक्शन पर, यात्रियों की सुविधा के लिए, रेलवे द्वारा स्वचालित मास्क और सेनेटाइजर डिस्पेंसर मशीन लगाई गयी है।
