About Us

Since 1983, Gupta Brass Products is a leading manufacturer and supplier of premium bathroom fittings. Based in Delhi, India, we are committed to producing durable, stylish, and high-performance products that add value to modern living spaces. Over the years, we have combined craftsmanship with innovation to deliver products that meet both functional and aesthetic needs. We specialize in a diverse range of bathroom fittings, including Brass Divertor, CPVC Divertor, Concealed Stop Cock, Brass Overhead Showers and Round SS Shower Arm. Each product is carefully designed using superior raw materials and advanced technology to ensure durability, corrosion resistance, and smooth operation. Whether for residential or commercial use, our fittings are built to enhance convenience while maintaining a contemporary look.

We believe in building value-driven products and customer-centric solutions. Our vision is to continue innovating and expanding our product portfolio to meet the evolving needs of the market. With decades of industry expertise, we aim to set benchmarks for durability, design, and affordability in the bathroom fittings segment.
