About Us

Established in 1999 in Pune, Maharashtra, Kiran Construction is a trusted name in the construction and infrastructure service sector. With a rich legacy of over two decades, we have successfully delivered solutions that combine quality, reliability, and efficiency. As a reputed Service Provider, Trader, and Supplier, we are committed to shaping strong foundations for residential, commercial, and industrial projects. We specialize in a wide range of services tailored to meet diverse project needs. Our offerings include Stone Design Construction Services, Rental Services, Wall Painting Services, Prefabricated Industrial Sheds, and Compound Wall solutions. Every service we provide is designed with attention to detail and executed by skilled professionals using modern tools and materials, ensuring durability and aesthetic appeal.

With more than two decades of hands-on industry experience, we understand the importance of precision, planning, and timely execution. Our team comprises trained experts who follow strict quality standards and deliver work that exceeds client expectations. We blend innovative practices with proven methods to provide results that are structurally sound and visually impressive. What sets us apart is our consistent focus on quality, transparency, and timely service. Over the years, we have built long-term relationships with our clients by maintaining a professional approach and delivering value with every project. From small-scale services to large-scale infrastructure support, we are dedicated to making construction reliable and hassle-free.
