## About Us

In past few years, Pallets have become a reliable partner to packaging and transportation industry. They are trusted worldwide as they ensure a safe shipping and delivery of a variety of goods from one place to another. To provide such safety and a highly reliable partner to clients across the globe, we, Eco Solutions entered the market back in 2009. We perfectly understand the struggles of exporters that they face while shipping their precious consignments across the globe. To make the transportation more safer and easier for them, we are constantly delivering them with an inexpensive collection of well crated Pallets including Wooden Pallets, Pinewood Pallets, Plywood Pallets, etc. In addition to this, we are also working as a diligent manufacturer and exporter of Wooden Boxes, Crates, Secondary Packaging Solutions and other Packaging Materials.

We, Eco Solutions, are a reputed business enterprise, working from the prime industrial location of Bengaluru, Karnataka (India). From our headquarters, we concentrates all of our efforts towards providing highest benefits to our clients. To deliver the same, we offer a wide variety of packaging solutions to our patron family. Not just this, we also render a world class customer support to them throughout the transacting period. We also offer numerous post sale services to ensure our customers' satisfaction with our brand. All of these benefits can be availed by our patrons from us in exchange of affordable rates.
