## About Us

M Madhavaraya Prabhu founded in 1983 is one of the most dependable manufacturers and suppliers of a wide range of Cashew Kernels. Under this category, we provide Cashew Kernels DP, Cashew Kernels JH, Cashew Kernels K, etc., to our customers. These items are noted for their rich flavor, entrancing scent, prolonged shelf life, and purity.

We are aided by a dynamic and deft team of specialists. These experts are recruited based on their skills and experience, and are well-versed in their respective fields. They work together and carry out various business-related tasks. Our staff collaborates closely with clients to meet their specific needs too. Working closely together, our team guarantees that the organizational goals are met in an effective manner. In addition, we have built a cutting-edge infrastructure facility on our grounds, complete with sophisticated tools and equipment. We have adequately separated the infrastructure for facilitating a trouble-free production procedure. We have manufacturing, quality control, and R&D units in our infrastructure. Furthermore, we have a large and separate warehouse area where we keep our items in a methodical manner.
