About Us

At HI Tech Precisions, we believe in delivering high-quality engineering solutions that meet the evolving demands of industries. Since our establishment in 2008 in Pune, Maharashtra, we have built a strong reputation as a trusted manufacturer, trader, distributor, and supplier of premium industrial products. With a commitment to precision and reliability, we cater to a wide network of clients across different sectors, ensuring their requirements are fulfilled with professionalism and care.

Backed by years of experience, we specialize in providing durable and efficient sealing solutions. Our product range includes Rubber O Rings, Nbr O Ring, Polyurethane O Rings, Neoprene O Ring and Black Rubber Bush, designed to perform under challenging conditions. Each product undergoes strict quality checks to maintain international standards, ensuring consistent performance, longer service life, and cost-effectiveness. Our state-of-the-art infrastructure and skilled team enable us to deliver products that support smooth industrial operations.
