

Automated Chemical Dosing Skid, Automated Liquid Filling Machine, Automatic Chemical Injection Skid, Automatic Liquid Dispensing System, Automatic Liquid Filling Skid, Batch Reactor Skid, Chemical Gas Scrubbing Plant, Custom Liquid Filling Skid, Falling Film Evaporator, Food Grade Powder Blender, Forced Circulation Evaporator, Fume Scrubber Skid, GMP Powder Mixing Equipment, Heat Exchanger Utility Skid, Industrial Evaporation Plant, etc.

INLINE HIGH SHEAR MIXER SKID

SKID MOUNTED HIGH SHEAR EMULSION MIXER

SKID MOUNTED EMULSIFYING MIXER

About Us

Established in 2021 in Bhuj, Gujarat, Zen Projects World is a turnkey modular systems integrator. We convert chemical, mechanical and process requirements into skid-mounted modular systems. We handle engineering, layout planning, assembly, integration, control panel wiring and testing. The skid frame and key components (pumps, motors, agitators, instruments, valves and panel items) are sourced from qualified vendors. Our systems operate at atmospheric pressure and are supplied ready to install for specialty chemicals, synthetic polymers (ambient blending), agrochemical formulations, industrial coatings, lubricants, paints, detergents and industrial water treatment across India.

Zen Projects World, established in 2021 in Bhuj, Gujarat, is a turnkey modular systems integrator. We engineer, assemble, integrate and test skid-mounted systems for chemical and industrial process plants across India. The skid frame and key components are sourced from qualified vendors.

Key Facts

No of Staff	5
Year of Establishment	2021
OEM Service Provided	No

Our Products

Skid Mounted Mixing System

Skid Mounted High Shear Mixer

Industrial Evaporation Plant

Wastewater Vacuum Evaporator

Zero Liquid Discharge Evaporator

Forced Circulation Evaporator

Solvent Recovery Evaporator

Vacuum Evaporation System

Skid Mounted Evaporation System

Industrial Thermal Concentrator

Vacuum Evaporator Skid

Industrial Vacuum Evaporator

Vacuum Concentrator System

Vacuum Evaporation Concentrator

Liquid Concentration Plant

Falling Film Evaporator
