About Us

S.K. Refrigeration is a trusted and well-established manufacturer and supplier of top-grade refrigeration and air conditioning compressors. With years of experience in the industry and adherence to quality, we have created a strong position for ourselves in the market as a trusted brand, providing reliable solutions to commercial, industrial, and residential applications. We specialize in the production and supply of a variety of compressors, such as Scroll Compressors, Rotary Compressors, AC Compressors, Reciprocating Compressors, and Hermetic Compressor. Our products are designed to operate with optimal efficiency, longevity, and performance under various operating conditions.

Set up in 2010, in New Delhi, India, S.K. Refrigeration, prominent manufacturer and supplier of Refrigeration Compressors, Rotary Compressors, Ac Compressors, Reciprocating Compressors, Hermetic Compressors, and more. Our manufacturers use the latest machinery to execute production and other processes flawlessly. We work collectively in knowing the customer's requirement, keeping each other's business interest intact so that we could provide products at the appropriate time and at the best price. With the guidance of our guide Mr. Sahzad Khan (MD), we have gained a good position in this very competitive sector.
