

## **M/S Tektrone Chem Trade**

M/S Tektrone Chem Trade is a top supplier and trader of Scarlet Chrome Pigments, Parrot Green Pigment Powder, Optical Brightner, Titanium Dioxide, etc. With a commitment to quality and customer satisfaction, we source our products from trusted manufacturers to ensure that our clients receive only the best materials for their usage. Our extensive portfolio caters to various industries, including plastics, paints, coatings, and rubber manufacturing, providing essential components that enhance product performance and aesthetic appeal. We pride ourselves on our expertise in the chemical market, offering tailored solutions and reliable logistics to meet the unique needs of our customers. Under the headship of Mr. Ashok Kumar Rajput, we have been able to attain a strong foothold and gather a wide customer base.

## **Our Manufacturing Partners**

We work together with a network of distinguished manufacturing partners that are industry leaders to guarantee that we provide our customers with chemical products of the highest quality. Our partners are chosen on the basis of their shared values of quality, innovation, and sustainability, which complement our goal of offering premium materials. They guarantee that every product fulfills industry requirements by using sophisticated manufacturing techniques and strict quality control procedures. By collaborating closely with these partners, we are able to provide our clients with a wide choice of solutions that are specifically designed to meet their needs.

## **Why Us?**

- We purchase our goods from reliable producers that are renowned for their dedication to excellence.
- We have put in place effective logistics procedures to guarantee that our products, including Parrot Green Pigment Powder, Scarlet Chrome Pigments, Titanium Dioxide, etc., arrive at customers' doors on time.
- We stay up-to-date with industry trends and regulations, ensuring that we serve customers in the best possible manner.
