About Us

We, Agrob India Private Limited, are a leading supplier and trader specializing in offering innovative agricultural solutions, including Agriculture Drones, Mobile Solar Boxes, Solar Generators, and Solar Street Lights. Our mission is to empower farmers and businesses with cutting-edge technology that enhances productivity and sustainability. With a commitment to quality and customer satisfaction, we strive to deliver products that not only meet the demands of modern agriculture but also support a sustainable future. Our expertise in these technologies positions us as a trusted partner in the agricultural sector. We work closely with our clients to understand what those unique challenges are and provide tailored solutions to meet individual requirements.

Agrob India Private Limited is a dynamic trader specialized in offering cutting-edge agricultural technologies and renewable energy solutions. Established in 2018, our Gurugram, Haryana, India, based company has touched the height of success. Our diverse product portfolio includes Solar LED Street Lights, Solar Panel, Agriculture Surveillance Camera, Solar Generators, etc., each designed to address the unique challenges of modern agriculture and energy needs. With a commitment to quality, customer satisfaction, and environmental stewardship, we leverage the latest advancements in technology to deliver reliable solutions that empower our clients.
