FIBERGLASS SLEEVE**

About Us

Vikas Sales Corporation, established in 2021, is a rapidly growing manufacturer and supplier of high-quality insulation materials and industrial products. Our commitment to excellence and quality is reflected in our diverse range of products, such as fiberglass sleeves, fiberglass cables and wires, PTFE wires, fiberglass yarn, and cotton tape. Our products are manufactured under our trusted brand names Pooja, Krishna, Maa Durga, Sanjay, and Shri Ganesh. With a focus on innovation and quality, we have been offering the best-quality products that provide excellent thermal insulation and protection for wires and cables in high-temperature environments. Our brands represent our commitment to quality, durability, and customer satisfaction.

Vikas Sales Corporation has become a major manufacturer and supplier of high-quality insulation materials and industrial products. We offer a high-quality array of fiberglass sleeves, fiberglass cables and wires, PTFE wires, fiberglass yarn, and cotton tape. With the assistance of a high-tech production base, a team of professionals, and ethical business policies, we have been delivering reliable insulation materials and industrial products. We ensure that we meet the specific requirements and enhance the performance of different applications.
