About Us

Established in 2008 and based in Mumbai, Maharashtra, India, Halston Global is a Manufacturer, Supplier and Importer of dependable industrial products designed to support diverse operational requirements. With a strong focus on industrial hose and component solutions, we offer a comprehensive range comprising Welding Rubber Hose, Hydraulic Hose, Pillow Blocks, Suction Hoses, Stainless Steel Hose Clamps, Duct Hose, Rubber Steam Hose, and much more. We serve customers seeking practical, durable and application oriented solutions for material handling, fluid transfer, air movement, steam applications, hydraulic systems, equipment assembly and industrial maintenance. Our product range includes options suited to varied working environments and installation requirements, helping customers source multiple industrial essentials from a single dependable partner.

Over the years, we have built our offering around product variety, responsive service and a clear understanding of industrial requirements. Our company aims to make procurement simpler by providing carefully selected products that balance performance, usability and value. From hoses and clamps to mechanical components, we continue to expand the portfolio in line with evolving industrial needs. Our Mumbai presence enables us to serve customers with a professional approach, consistent product availability and solutions tailored to demanding applications.
