About Us

Readyah Agrotech Private Limited is a recently started company. We work with the aim to help people in transforming their kitchen by offering ease in preparing fresh and tasty food items. We are proud of our expertise at introducing new convenient subscription based service for a wide range of South Indian food batters. As a manufacturer, we are getting excellent responses from market for our Indian Mixed Millet and Rice.

We provide easy to cook batters for busy families who enjoy healthy and nutritious meals. With our collection, we make life easier and meals delicious.

Our Vision

At Readyah, our vision is to prepare high quality delicious food products and make them accessible and convenient for everyone. We aim to make it simple for you to enjoy good food every day since we think it is the secret to a happy, healthy life.

Our Mission

The mission that motivates each member of our team is to encourage individuals to eat a healthy diet and recognize the ability of nutritious food to revitalize the body and mind. We strive to provide scrumptious and nourishing meals that can be prepared in just a few minutes.
