About Us

Customer-friendly approach and quality products at competitive prices are the two defining traits of our company, I Tape Solutions. These two remarkable features set us apart from our close competitors. With our dedication and commitment, since the inception in the year 2012, we have carved a niche in the market in a relatively short span of time. Today, we are among the most trusted manufacturers and suppliers of a wide range of Double Sided Foam Tapes, Double Sided Tissue Tapes, Double Sided Cloth Tapes, and Double Sided Polyester Tapes. In addition, we also offer PVC Insulation Tapes, Paper Masking Tapes, Floor Marking Tapes, Cross Link Tapes, Aluminum Foil Tapes, BOPP Tapes, Surface Protection Tapes, Plastic Mulching Film, LD Film, etc.

Our products meet all the quality specifications established by national and international authorities. We pay utmost attention to every aspect of production of our range viz. procurement of raw materials, size and shape of different varieties of tapes, use of materials for packaging, etc. We take care of all these minute details to achieve optimum customer satisfaction. Besides, we do our utmost for the convenience of our esteemed customers.
