About Us

Subhog Organics LLP is a company that is vibrant and reliable in the field of natural and organic food products. Our firm principles of being true and wellness wise have made us a reliable Manufacturer, Supplier, Trader and Exporter of a large assortment of high quality agricultural and herbal products. Our products are taken with great care to preserve the natural qualities and hence the product the customer gets is pure, safe and healthy.

The products we produce show our commitment to the provision of excellence in our categories. We serve domestic and commercial needs with aromatic Basmati Rice that has long grains, tastes like heaven and spices with high quality such as Organic Kashmiri Chilli Powder, Red Chilli Powder, and Loose Turmeric Powder. As well, our Shilajit Resin is sourced with care and refined under controlled conditions to ensure that it is not compromised and mixed with other substances. Every favorable product is picked and treated with high care in order to satisfy the different market needs.
