About Us

Started in 2001 by Mr. Gajanan Gurav, Chetan Enterprises is now a prominent manufacturer, supplier, and service provider of pharmaceutical and industrial process equipment. With over years of experience, we offer innovative solutions that improve productivity, efficiency, and safety in various industries. Under the able guidance of our CEO, Mr. Chetan Gurav, the firm is forging new standards of innovation, engineering excellence, and customer delight. Through the years, we have earned a reputation of trust, quality, and innovation, which has made us a go-to partner for leading industries in India and overseas.

Chetan Enterprises founded in 2001, in Palghar, Maharashtra, India, manufactures and supplies Chemical Reactor, Industrial Nutsche Filter, Fluid Bed Dryer, Tray Dryer, Centrifuge Machine, and more. With a history of more than three decades, Chetan Enterprises is a pioneer in pharmaceutical and industrial process equipment manufacturing. Driven by innovation, fueled by state-of-the-art infrastructure, and guided by a customer-centric approach, we continue to define the future of the industry.
