About Us

Founded in 2003, Ganesh Industry proudly upholds a 21-year legacy of manufacturing premium products tailored to meet the demanding needs of the industrial sector. We specialize in producing high-performance valves, oil filters, and other hydraulic components that enhance the efficiency and reliability of hydraulic systems across various applications.

Our Product Range Includes:

- ❖ **Hydraulic Filters:** Hydraulic Suction Strainer, Hydraulic Diffuser Filters, Tank Filter Breathers (Filter Breather & Tank Breather), Return Line Filters, Inline Filters.
- ❖ **Hydraulic Equipment:** Bell Housing, Gear Coupling, Fluid Level Indicators, Knob Type Indicators, Tube Clamps, Pipe Clamps.
- ❖ **Valves:** Ball Valves, NRV Check Valves, DRV Flow Control Valves

We also offer contract manufacturing and white-label services, providing high-quality products tailored to various industries' specific needs.
