

CNC Turning And Turn Mill Centers
CNC Vertical Machining Centers
CNC Horizontal Machining Centers
CNC 5 Axis Machining
Centers, CNC Multi Tasking Machine

7th sance, AT-ATM 160 CNC Turning And Turn Mill Centers, AX Series CNC Turning And Turn Mill Centers, CNC Vertical Machining Centers, DX 100 CNC Turning And Turn Mill Centers, DX 200 Series CNC Turning And Turn Mill Centers, DX 200-3 CNC Turning And Turn Mill Centers, DX 250-350 CNC Turning And Turn Mill Centers, etc.

**AT-ATM 160 CNC TURNING AND
TURN MILL CENTERS**

**AX SERIES CNC TURNING AND
TURN MILL CENTERS**

**DX 200 SERIES CNC TURNING AND
TURN MILL CENTERS**

About Us

We at Jyoti CNC Automation Ltd. have been propelling technology & prospering life since 1998 through our innovation driven and technologically advanced work. In the markets, we have been standing strong by serving as a manufacturer of an extensive line of CNC machines. Our offered assortment encompasses AX Series CNC Turning And Turn Mill Centers, CNC Vertical Machining Centers, HSX Series CNC Horizontal Machining Centers, KXG Series CNC 5 Axis Machining Centers and more items. We are committed to lead the advancement of technology in machine tool arena which further contributes for better industrial work in an economical and eco-friendly way. Through scientific excellence and innovations, we are supporting varied industries successfully and maintaining our position at the top of domain.

Working since 1998, our Rajkot (Gujarat) based firm, Jyoti CNC Automation Ltd. has been holding a prominent position in the industry by fulfilling the increasing requirements for technologically advanced, economic and eco-friendly AX Series CNC Turning And Turn Mill Centers, HSX Series CNC Horizontal Machining Centers, CNC Vertical Machining Centers, KXG Series CNC 5 Axis Machining Centers and more items.

Key Facts

No of Staff	2000
Year of Establishment	1998
OEM Service Provided	No

Our Products

DX 200-3 CNC Turning And Turn Mill Centers

DX 250-350 CNC Turning And Turn Mill

DX Large Series CNC Turning And Turn Mill

DX Nvu Series CNC Turning And Turn Mill

DXG 100 CNC Turning And Turn Mill Centers

I-Sect CNC Turning And Turn Mill Centers

TMC Large Series CNC Turning And Turn Mill

TMC Series CNC Turning And Turn Mill

TS 120 CNC Turning And Turn Mill Centers

VTL Series CNC Turning And Turn Mill Centers

EX-F Series CNC Vertical Machining

K Mill Nvu Series CNC Vertical Machining

K2X Series CNC Vertical Machining

Mill Tap Series CNC Vertical Machining

NX Nvu Series CNC Vertical Machining

DX 100 CNC Turning And Turn Mill Centers
