ESCAPE CHUTE

About Us

We are leading ISO: 9001 Indian company in the design, manufacturing, exporting & marketing of protective workwear suitable for any high risk situation. We started as a producer of asbestos fabric followed by non asbestos fabrics like ceramic etc. & with time, company has developed as complete solution provider in for fire & heat protection workwear, offering complete protection & safety at workwear.

One can rely on a network of agents & dealers all over India for their requirement of Industrial, high temperature & fire fighting workwear like Fire Fighting Suit, Fire Escape Chute . FIRETEX have always been at the fore front of workplace safety, thanks to constant innovation in products & materials (aramide etc.) & technological research.
