Letter Box cum cheque drop

ABS Plastic injection moulded letter boxes

It is ideal as a letter drop, News paper and magazine drop (especially in rainy season) as fee and other payment cheque drops in schools and colleges to erect in class rooms, Banks for their ATMs, Clearing houses and any such situations, other bill payments like telecoms etc.

It is very much useful in Apartments, Villas, Bungalows, Residences, Hotels, offices, Schools, colleges, Hostels, Hospitals and any such situations.

Description/Specification

Box Size: - 305 mm x 265mm x 95mm, ABS Plastic injection moulded letter box, made from ABS engineering plastic. It has an inbuilt metallic lock system.

It is available in various ultra violet stabilized colours (as per stock). The glossy top (but hard) letter boxes are fast moving. Many have turned to the new trend of inbuilt colour letter boxes definitely it could satisfy your requirements. With Lock and Key The new generations selects the inbuilt colorful letter boxes now available in **Orange**, **Red**, Smoke Grey and Light grey.

Other Features

The different colours are splashy in colour and design which are eye catching and attractive and ornamental to the premises. It not only makes a statement but also brightens the ambience of your premises.

We are in hope that, fancy and rust proof Letter boxes substitute the metal/wooden letter boxes to a good extent.

The letter box is specially made in an innovative way with inbuilt colour which is fancy with glass finishing. This is strong and durable and ideal for many situations.

The lock and key protects the individuality.
