## About Us

Consolidated Swift Industries Ltd. is a new company, focused on producing and providing diverse material handling solutions. Our product line includes Sgeot Single Girder Electric Crane, Heavy Duty EOT Crane, Flameproof Wire Rope Hoist, Semi Gantry Crane, Double Gantry Crane, JIB Crane, and many others.

Being a new company, we differ in some way. Production engineering with promises of producing the best, most reliable, and safest lifting equipment sets us apart from other market players. Our solutions for businesses from all industries help them achieve success through effective and efficient use of powerful cranes used to optimize material handling.
