About Us

Manas Microsystems Pvt. Ltd. Is among top manufacturer and supplier of IoT Based Flow Meter With Cloud Based Communication, Insertion Ultrasonic Flow Meter, Clamp On Type Ultrasonic Flow Meter, BTU Meter For Chiller Application, etc. The material used in the production process of the mentioned products is chosen with care by our procuring agents because the quality of our end-product is directly proportional to the same. In addition, latest technological machines are used to give precise shape and size to the products. Once the manufacturing process is over, we pass the products through strict round of quality check and only after getting assured about their flawlessness we allow them to dispatch.

Manas Microsystems Pvt. Ltd. is an experienced company based in Pune, Maharashtra of India. Our company excels in offering Industrial Capacitance Type Level Switch, Digital Liquid Mass Flow Totaliser, Orifice Gas Flow Meter BTU Meter For Heat Transfer Application, etc. It gives us immense pleasure to state that in all the deals till now, we have been able to impress customers by exceeding their expectations. At our unit, we have installed the best production facilities that results in the production process of flawless items. In addition, we are assisted by a team of skilled professionals who are able to accomplish every task with perfection. Choosing us has always proven right choice for customers to get value for their time and money.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	magnetic flow meter,gas flow meter,steam flow meter,electromagnetic flow meter,
No of Staff	51
Year of Establishment	1998
No of Production Lines	2
OEM Service Provided	No
Monthly Production Capacity	10000
Memberships	ISO 9001:2015
ProductRange	magnetic flow meter,gas flow meter,steam flow meter,electromagnetic flow meter,

Our Products

**Industrial Solar
Powered Flow Meter**

**Clamp On Type
Ultrasonic Flow Meter**

**BTU Meter For Chiller
Application**

Steam Flow Meter

**Insertion Ultrasonic
Flow Meter**

**Mega Sroat
Electromagnetic Flow**

Ultrasonic BTU Meter

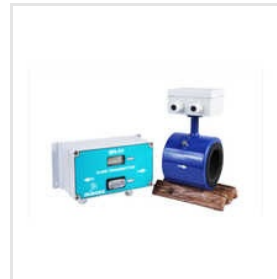

Orifice Gas Flow Meter

**IoT Based Flow Meter
With Cloud Based**

**Sanitary And Food
Grade Electromagnetic**

**Wafer Style
Electromagnetic Flow**

**Full Bore
Electromagnetic Flow**

**Industrial Full Bore
Type Electromagnetic**

**BTU Meter For Heat
Transfer Application**

**Battery Operated
Electromagnetic Flow**

**Insertion Type
Ultrasonic Flow Meter**
