About Us

Arihant Metal Corporation is a leading manufacturer and supplier of durable steel pipes and tubes, steel bars, wire coils, steel sheets, etc. Our products are widely recognised for their exceptional design, durability, and cost-effectiveness. We give priority to quality assurance and ensure that all our products meet the highest industry standards. We have been conducting rigorous testing on defined industrial parameters using advanced techniques. We are committed to providing the best product quality and timely service. Our entire process, from vendor evaluation and procurement to production, inventory management, sales, to customer service, is fully automated to ensure efficient supply chain management. This system allows us to provide exceptional products

Arihant Metal Corporation is a prime Manufacturer and Supplier of durable Steel Pipes And Tubes, Steel Bars, Wire Coils, Wire Coils, Steel Sheet, etc. We specialize in importing sheets, plates, coils, and processing them into various surface finishes. We also process hot-rolled and cold-drawn bright bars in customized sizes. We can handle custom orders and manufacture large-scale pipes with non-standard sizes and heavy wall thicknesses. We have attained expertise in both welded and seamless steel pipes. Our extensive inventory includes high-end products at competitive prices, tailored to meet the needs of our customer base.
