SINGLE OUTPUT RAIL POWER  
SUPPLY

STACKABLE MANAGED SWITCHES

## About Us

S.N. Incom Solutions was established in 2012 and is an eminent trader and supplier of a wide range of electrical products. Our company is engaged in operating its entire business from Chennai, Tamil Nadu, India. We are offering Single Output Rail Power Supply, Delta DVS005 Ethernet Switch, Stackable Managed Switches, Gefran Contactless Linear Position Transducer, and more products. We are also engaged in providing repairing services such as AC DC Drive Repair Services, Servo Drive Repairing Services, and VFD Repairing Services.

Our products are procured from the trusted vendors, who fabricate them as per industry-approved guidelines. We have an extremely reliable vendor base that helps to smoothly run our business process. We are focused on quality of products and therefore after procurement all the procured products are inspected in-house by our experts, before being finalised for final delivery. We have been serving our clients from different industries since our inception. Moreover, to serve customers in a better way, our experts provide excellent business support solutions.

Mr. Sugumark (Proprietor) is engaged in taking our organization in the direction of immense success. His rich knowledge and proper understanding of the clients requirements help us in securing a distinguished position in the market.

## Our Products

**Single Output Rail Power Supply**

**Sick GR18Photo Electric Sensor**

**Gefran Melt Pressure Sensor**

**Sick WL12 3P2431S43 Photoelectric Sensor**

**Gefran PY1 Position Sensor**

**Gefran 600 PID Temperature**

**Gefran WPPA Plus Contactless Position**

**Gefran Contactless Linear Position**

**Servo Drive Repairing Service**

**Stackable Managed Switches**

**Gefran LVDT Sensor**

**Delta DVS005 Ethernet Switch**

**AC DC Drive Repair Services**

**Gefran KS Pressure Sensor**

**VFD Repairing Service**

**Autonics TCN4S Temperature**
