About Us

Aggarwal Metal Industries strives to deliver superior bathroom and plumbing fittings as a manufacturer, supplier, trader, and exporter. Solid on strength, efficiency, and modern design, the company continues to innovate to match evolving customer specifications. Quality is given a sharp interest so that every product is designed with quality materials, with the right proportion of strength, efficiency, and longevity.

Excellence is inherent in each process, right from raw material procurement to final product realization. The latest technology combined with rigorous quality control guarantees reliability, while user-friendly designs guarantee maximum ease of installation and trouble-free operation. Encouraging water conservation, space economy, and corrosion resistance, the company ensures that each solution meets modern standards of efficiency. Customer satisfaction is always guaranteed by continuously upgrading design, performance, and price. With a growing customer base in both domestic and overseas markets, we are a well-known brand name with products that blend innovation with enduring value.
