About Us

Backed by a highly motivated team of Engineers and outstanding infrastructure facilities, we, Spectrum Industries, have been catering to the needs of the Food Processing Industry, since the year 1993. Working with ethical business policies, we have over a time become a nationally recognized Manufacturer & Exporter of Premium Quality Engineering products, such as Monochromatic as well as Color Sorter Machine, Colour Sorting Machine, Color Sorter, Trichromatic CCD Camera based Color Sorters, Gravity Separators, Vibro Graders, De-stoners, Coffee Hullers, Colour Sorting Machinery, Coffee Peeler Polishers etc. as well as the other Allied products such as Vertical, Storage Silo systems, Aspiration Systems etc., which have a wide range of application in the Food Processing and other allied industries.

Our products are acknowledged in the market for their Precision, Reliability and Performance. As an ISO 9001:2000 certified company, offering quality products has been the foremost objective of Spectrum Industries. For instance, the S-4001 MAXIMA, Trichromatic CCD Camera based Color Sorters that Spectrum Industries offers, feature Tri-linear, RGB (Red, Green & Blue) CCD Cameras having 5400x 3 pixels, with Quad Solid State LED Lighting, in order to provide multi-colour scanning with precision sorting accuracy and excellent production capacities. Our focus towards Innovation, Timely delivery and Client Satisfaction has helped us to build a strong customer base and an excellent rapport in the Regional and International markets.

Spectrum Industries adheres to a strict quality management program, at every stage of its operation, in order to ensure that its products are of Superior Quality. We are an ISO 9001:2000 certified Company, that has been certified by the British Standard Institute. Our entire manufacturing process is supervised by highly Qualified Engineers, who work in tandem with Experienced Technicians, so as to ensure product specifications are met always. The finished Equipment is thoroughly inspected and tested for their precision, accuracy and performance, thus ensuring that only Equipment meeting the necessary quality standards set by the company are released into the market and delivered to our customers.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	cashew grading machine,rotary drum dryer,rotary dryer,
No of Staff	42
Year of Establishment	1993
OEM Service Provided	No
ProductRange	cashew grading machine,rotary drum dryer,rotary dryer,

Our Products
