“WHERE QUALITY MEETS CREATIVITY”

# ABOUT US

Aarka Industry was founded in Gujarat in 2024 and has since grown to become a well-known maker of building supplies. As a sole proprietorship, we specialize in creating high-quality wallputty products, such as Cement Wall Putty along with a variety of other essential components for modern building projects.

Our mission at Aarka Industry is to lead innovation and provide excellence in our work. Strict quality standards are followed during the manufacturing process to guarantee that every product meets or exceeds client expectations. We offer wall putty solutions that improve the functionality, aesthetic appeal, and longevity of both internal and external surfaces by fusing state-of-the-art technology with skillful craftsmanship.
