About Us

Shreepad Agro & Food Machinery Pvt. Ltd. is a trusted name in the field of food processing and agro machinery manufacturing. Established in 2024 in Pune, Maharashtra, we are dedicated to delivering world-class equipment that enhances productivity, efficiency, and product quality. As a manufacturer and supplier, we cater to a wide range of industries involved in food preparation, processing, and packaging. Our focus on innovation, engineering precision, and customer satisfaction makes us a reliable partner for businesses across India.

We offer a comprehensive range of high-performance machines designed for modern food processing needs. Our key products include SS Electric Tray Dryer, Ribbon Blender, Vegetable Cutter Machine, Vegetable Washer Machine and Mixer Grinder. Each product is built with premium materials and advanced technology to ensure durability, easy operation, and consistent output. Whether for small-scale units or large manufacturing plants, our machines deliver dependable performance that meets industry standards. Our vision is to become a leading name in the agro and food machinery industry by providing sustainable, efficient, and innovative solutions. We aim to empower food producers with technology that improves production while maintaining quality and hygiene. Our mission is to continuously enhance our products through research, modern design, and customer feedback, ensuring that every machine we deliver exceeds expectations.
