

Adapt™ Skin Barrier Paste

Zoom

This is used to fill or caulk uneven skin contours to create a flatter surface. It can help to prevent drainage from getting under the ostomy skin barrier. It may help extend the wear time of the skin barrier.

Features

- Two convenient tube sizes
- Easy-to-squeeze tube
- Red cap
- Contains alcohol
- Serves as a caulk, not a glue or adhesive
- Not made with natural rubber latex

Want to Order Free Samples?

Find the product you want in the table below and click the “Request Free Sample” shopping basket icon. This will add the product to your basket (you can add up to 7 products). When you’re finished, click the BASKET icon at the top of the page to view your selected items and check out.

Request Free Sample	Stock Number	Description	Order Quantity
	79300	2.1 oz (60 g) tube	Box of 1
