About Us

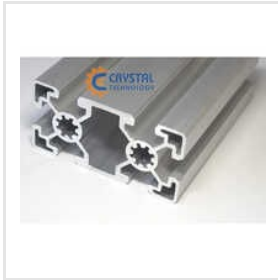

Established in 2019, Crystal Technology, has emerged as a prominent manufacturer and supplier, specialized in offering a wide array of products including Aluminum Extrusion, Aluminium Profile Accessories, Ball Screw, Linear Slide, etc. Renowned for their precision, our offerings are available in standard forms to meet client needs, and undergo rigorous inspections to ensure optimal quality. Under the leadership of Mr. Sushil Bhimrao Khade, our CEO, we have established a strong reputation within this competitive industry. Right from the very first deal, we have been successful in attaining optimal customer satisfaction. We also make sure to ask for feedback from customers so that we can improvise and continue serve buyers up to the mark of their expectations.

Crystal Technology is a leading entity established in 2019, specializing in high-quality metal products such as Caster Wheel, Chrome Plated Shaft, Linear Bush, Hard Chrome Shaft, etc. With a strong commitment to precision and excellence, we have quickly gained recognition in the industry for our reliable and innovative solutions. Our company is guided by the visionary leaders their guidance has been instrumental in shaping our reputation and success. We pride ourselves on our customer-centric approach, ensuring that we meet the diverse needs of our clients through a comprehensive range of products.
