About Us

We are a reputed manufacturer, supplier and exporter of a wide series of packaging machines, Box Wrapping Machine Manufacturer, Metal Detector Machine and allied equipments.

Packaging plays a vital role in the promotion of any product in the market. With a mission to strongly establish ourselves in this competitive industrial domain, we, Shri Krishna Packaging, came into existence in the year 2006. Based in Delhi, we are a reputed manufacturer, exporter, trader and importer of a wide series of packaging machines and allied equipment. Our product range is supplied under the brand name, 'Fastpack' and includes **Automatic Strapping Machine, Semi-automatic Strapping Machine, Stretch Wrapping Machine, Reel Wrapping Machine, Box Wrapping Machine, Pallet Strapping Machines, PP Strapping Rolls, PET Strapping Rolls, Metal Detector Machine, Taping Machine, Check Weigher, etc.**

Shri Krishna Packaging, we consist of professionals who are committed to manufacture quality products in conformance with the international standards. We have a modern manufacturing unit and a capacious warehouse as part of a robust infrastructural setup. Continuous research work by our professionals helps us develop the present series in an effective and cost-efficient manner. Excellent quality, prompt delivery and value for money are the guiding principles of our company. Our goods are exported to all parts of the globe. Taiwan and China are the two nations from where we import a wide range of packaging machines.

Why choose us?

We are a reputed manufacturer, exporter, trader and importer of a wide series of packaging machines and allied equipment.

- Experience and Expertise : Over 22 years of experience in the packaging industry.
- Quality and Reliability : High-quality machines built to ensure durability and efficiency.
- Customization : Ability to customize machines to meet specific customer needs.
- Advanced Technology : Incorporation of the latest technology in packaging machines for improved performance and efficiency.
- Customer Support : Dedicated customer service and support to assist with machine operation and troubleshooting.

Our Mission

At Shri Krishna Packaging, our mission is to lead the packaging industry by providing innovative, high-quality, and cost-effective packaging solutions. We strive to exceed customer expectations through excellence in design, production, and service. With a commitment to continuous improvement, we aim to enhance product value and ensure timely deliveries, while maintaining the highest international standards.

Our Vision

Our vision is to become the global leader in the packaging machinery industry by continuously evolving our product offerings, expanding our market reach, and fostering lasting relationships with customers. We aspire to be recognized for our dedication to quality, innovation, and sustainability, ensuring our products support businesses worldwide in achieving their packaging needs effectively and efficiently.

Our Products

Strapping machines

**AUTOMATIC STRAPPING
MACHINES WITH COMPRESSION
DEVICE**

**ONLINE AUTOMATIC STRAPPING
MACHINES WITH COMPRESSION
DEVICE**

**AUTOMATIC SIDE SEELING
STRAPPING MACHINES**

PP / PET / CORD Strapping Rolls

**FOR GENERAL PURPOSE
INDUSTRIAL STRAPPING MACHINE**

**HEAVY DUTY INDUSTRIAL
AUTOMATIC STRAPPING MACHINE**

**LOW HEIGHT STRAPPING MACHINES
FOR HEAVY WEIGHT CARTONS**

Our Products

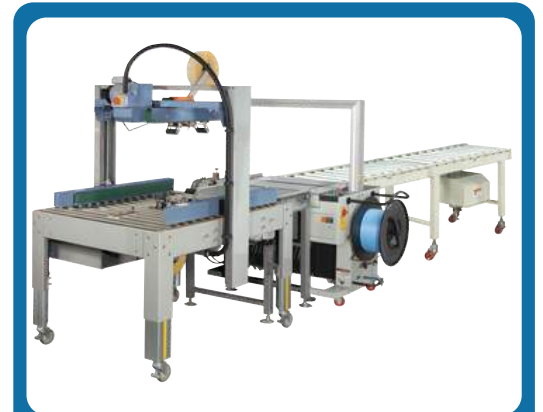

Automatic Strapping Machines For Various Application

ONLINE AUTOMATIC STRAPPING MACHINES

LOW HEIGHT AUTOMATIC STRAPPING MACHINE

COMBINATION TAPING AND STRAPPING MACHINE

FULLY AUTOMATIC CORRUGATION STRAPPER WITH PNEUMATIC PRESS & SQUARING DEVICE

CARTON SEALING SYSTEMS & CONSUMABLES

ADJUSTABLE TAPPING MACHINES USEFUL FOR UNIFORM SIZE CARTONS

ADJUSTABLE FLAP FOLDER TAPPING MACHINES

AUTOMATIC TAPPING MACHINES FOR RANDOM SIZE CARTONS

Our Products

HEAVY DUTY CONTINUOUS BAND SEALER WITH OPTIONAL NITROGEN FLUSHING UNIT

VERTICAL CONTINUOUS BAND SEALER

HORIZONTAL CONTINUOUS BAND SEALER

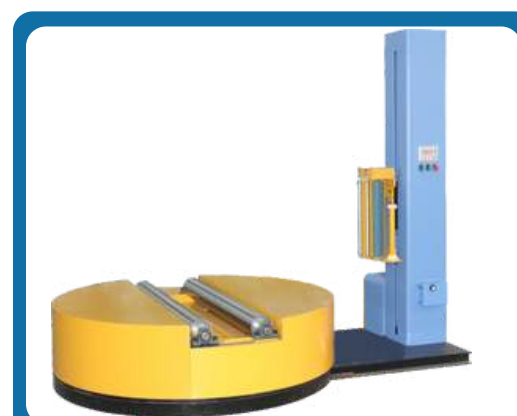

STRETCH WRAPPING SYSTEMS & CONSUMABLES

PALLET WRAPPING MACHINE

ROBOT WALKER WRAPPING MACHINE

BIG REEL WRAPPING MACHINE FOR PAPER REEL, FABRIC REELS ETC.

COIL WRAPPING MACHINE

STRETCH WRAPPING ROLLS MACHINES/MANUAL/CLING ROLLS

HORIZONTAL WRAPPING MACHINE

Our Products

High Speed Automatic Shrink Wrapping Machines

Vacuum Packaging & Sticker Labeling Machines

Our Products

Material Handling Machines & Conveyors

MANUAL PALLET TRUCK

HYDRAULIC STACKER

DRUM STACKER / TILTER

HAND HYDRAULIC TABLE TRUCK

ROLLER

BELT CONVEYORS

TRUCK LOADING CONVEYOR

Our Products

Metal Detector, Check Weigher & Marking Systems

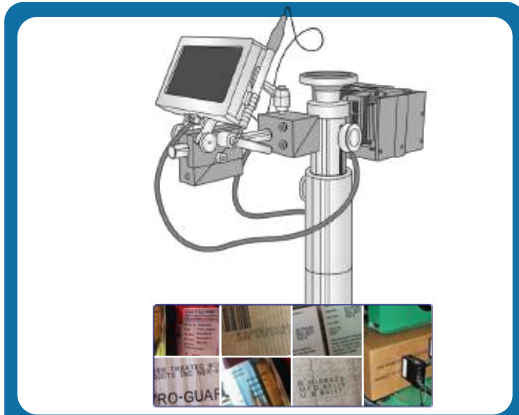

**METAL DETECTOR –
CONVEYOR TYPE**

**ONLINE DYNAMIC CHECK
WEIGHER**

CONTINUOUS INKJET PRINTER

THERMAL INKJET PRINTER

Our Products

Pet Strapping Tools & Consumables

BATTERY OPERATED PET STRAPPING TOOL

PNEUMATIC TOOL

PET STRAPPING ROLLS

DISPENSER

STEEL TOOL
