

## 5HP HOT OIL AND WATER PUMP

Committed Towards  
Excellence

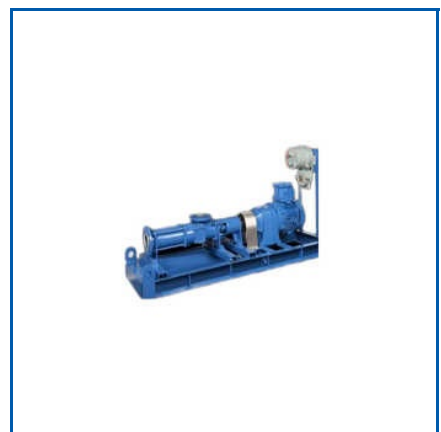

1000 LPM Submersible Pump Set, 10HP Centrifugal Water Pump, 10HP Filter Press Pump, 10HP Industrial PP Pump, 10HP Industrial Pump, 10HP Mud Pump, 10HP Non Clog Pump, 10HP Self Priming Pump, 10HP Submersible Dewatering Pump, 10HP Submersible Sewage Pump, 10HP Thermic Fluid Pump, 15HP Air Cooled Pump Set, 2000 LPH High Pressure Pump, 415V Barrel Pump, 415V Side Suction Pump, etc.

**10HP MUD PUMP**

**10HP THERMIC FLUID PUMP**

**PROGRESSIVE CAVITY SCREW  
PUMPS**

## About Us

Velocity Flow-Tech Systems is one of the leading industrial fluid handling solution pioneers that hold excellence at high standards through its extensive Hot Oil And Water Pump, Thermic Fluid Pump, Air Cooled Heat Pump, Centrifugal Water Pump, Centrifugal Hot Oil Pump, Chemical Process Pump, Industrial Ball Valve, and Rubber Hydraulic Hose Pipe. With a strong foundation as a manufacturer, supplier, and exporter, we drive innovation in these products by integrating technological advancements and ensuring system reliability.

Our commitment to excellence is reflected through the distinguished features of our products, such as high-temperature resistance and efficient energy performance. These are robust, durable constructions and corrosion-resistant materials that ensure extended operational lifespans, with minimal requirements for maintenance. Precision engineering from us ensures maximum flow, but compact and space-saving designs make installing them seamless for various industrial applications. We take pride in our superior thermal stability solutions and leak-proof operations that prioritize safety. Our solutions are customized for a specific need of an industry, while our products maintain quality standards on an international scale. High flow rate and pressure handling capabilities and environmentally friendly designs make us unique in the market.

## Key Facts

<b>No of Staff</b>	5
<b>Year of Establishment</b>	2024
<b>OEM Service Provided</b>	No

**Our Products**

**10HP Non Clog Pump**

**500LPM Chemical Process Pump**

**SS316 Solvent Transfer Pump**

**CI Vertical Sump Pump**

**Polypropylene Monoblock Pump**

**Polypropylene Centrifugal Pump**

**SS316 Air Operated Double Diaphragm**

**10HP Self Priming Pump**

**Non Clog Mud Sewage Pump**

**Progressive Cavity Screw Pump**

**Industrial Vertical Inline Pump**

**PVDF Centrifugal Pump**

**Rotary Gear Pump With Motor**

**Ro High Pressure Pump**

**Thermic Fluid Hot Oil Pump**

**1000 LPM Submersible Pump Set**
