## About Us

G.A.L.S Private Limited was incorporated in 2018 and has carved a good name in the cosmetic restoration service arena also for nursing homes, clinics, and hospitals. The organization is well equipped with necessary facilities and enable is to produce Rheo Knee XC, Microprocessor Knee Joints, Hydraulic Electronic Knee Joint, Waterproof Myo Electric Hand, etc. Our dedicated team of professionals works close knit, and thus we work towards delivering a quality range of products to our customers. We take pride in creating a well-balanced work environment through our dedicated employees and just policies about quality output. We enable people who are amputees to feel empowered once again by regaining their strength and allowing them to continue work with fewer boundaries or limitations.

From design and manufacturing to addressing specific disabilities, we strive to create solutions that improve life qualities. In addition, proper rehabilitation solutions are provided across India and internationally so that the client receives the right support to have a fulfilling life. Under the headship of our CEO, Mr. Danish, we have developed a healthy client base. He, to the maximum level possible, has contributed toward our esteemed position in the market through his expertise, commitment, skills, and ethical business practices.
