About Us

Jakson & Co was founded back in the year 1950`s with a dream and determination in mind to bring to India global class products & services for Power generation, distribution, Control & Automation. We are renowned to provide complete Power and Water solution.

Jakson with the brand name of JAKPOWER is the reputed manufacturer & supplier of Silent Generator, Silent Diesel Generator, KOEL GREEN (Kirloskar Green) and KOEL CHHOTA CHILLI Silent DG sets that range from 2.1 KVA to 1010 KVA and conform to rigorous and latest Central Pollution Control Board (CPCB) norms for noise & Emissions. Apart from these, we also provide multiple sets for higher KVA requirements in synchronized/parallel running.

We have Silent Diesel Genset manufacturing units at Mayapuri (Unit-I) - New Delhi, Silvassa (Unit-II) and also have a new set up at Kherdi near Silvassa (Unit-III) comprising a state-of-the-art plant of Pumpset manufacturing along with excellent testing facility with higher rating genset and all kinds of LT control panels manufacturing. It has been

Products We Offer

We are the biggest supplier and manufacturer of KOEL GREEN (Kirloskar Green) Brand, Silent DG Sets that are in compliance with Central Pollution Control Board (CPCB) quality norms. We design and engineer these generators in accordance with KOEL GREEN (Kirloskar Green) using latest techniques and production process. Our manufactured generators are suitable for all types of industries, hotels, resorts, hospitals, cellular operators, multistoried buildings, farmhouses, etc. for complete power backup requirements.

Clients

With a strong belief in achieving the trust of our clients, we provide high grade products to our clients that are fabricated by using finest raw material. Following ethical business practices set up by our mentors, we have carved strong business position among reputed manufacturers of Diesel Power Generating Sets and Electrical Control Panels. Understanding the requirements of our valued clients, our team members provide results to our clients beyond their satisfaction.

Our Products

Silent Diesel Generators

Generator Set

Kirloskar Generator

Air Cooled Kirloskar Generator

15 kva Air Cooled Kirloskar Generator

Koel Chhota Chilli Stationary Generators

3 Kva KOEL Chhota Chilli Diesel Generators

Koel Chhota Chilli Stationary Generators

1010 Kva Water Cooled Kirloskar (KOEL) Power Generator

750 Kva Water Cooled Kirloskar (KOEL) Power Generator

900 Kva Water Cooled Kirloskar (KOEL) Power Generator

62.5kVA Air Cooled Kirloskar (KOEL) Silent Generator

15 Kva Air Cooled Kirloskar (KOEL) Silent Generator

Vertical Hollow Shaft Induction Motors

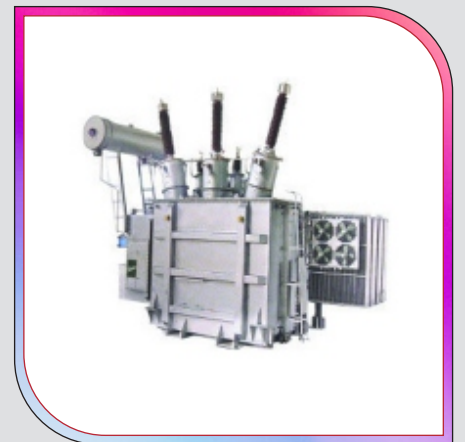

Mill Duty Induction Motors

Metal Clad MV Switchgear With VCB

High Power Transformers

Transformers
