About Us

Established in the year 2024, Pinnacle Garage Solutions Private Limited, has swiftly emerged as a trusted name in the automotive equipment industry. We are engaged as a leading manufacturer and supplier of a wide range of high-performance products including Wheel Balancer, Wheel Aligner, Tyre Changer Machine, Two Post Car Lift, etc. Our mission is to meet and exceed customer expectations by delivering exceptional quality products that are reliable, efficient, and designed to enhance operational performance.

Our company is deeply committed to maintaining the highest standards of integrity and professionalism. We follow ethical business practices and ensure complete transparency in every transaction to foster strong and long-lasting relationships with our clients. Customer satisfaction is at the heart of everything we do, and we continually strive to offer innovative solutions that align with industry demands.

Our journey of growth and success has been greatly supported by the visionary leadership of Mr. Qasamraza Maindargi. His unwavering support, industry insights, and strategic direction have played a crucial role in our rapid development and expanding market presence. With his guidance, we continue to reach new heights in the automotive service sector.
