About Us

Indian Horticulture Farm & Nurseries believes in beautifying indoor space with more varieties of quality plant stock. As a producer and supplier, we deal with exclusive varieties such as Malaysian Dwarf Coconut Tree, Medjool Dates Palm Tree, Miyazaki Mango Tree, Pachira Money Tree, among others, admired for its sweet-tasting fruits and elegant appearance. Our commitment to sustainable practices and excellent customer service ensures that every plant thrives in your environment and contributes positively to your well-being. We believe in fostering a greener future, one indoor plant at a time, and are working hard to make our customer happy. We are also proud of our team of people representing the heart of our operations, made up of passionate groups who are horticulturists, experienced growers, and dedicated customer service people.
