About Us

HKC Plast Industry is a leading manufacturer and Trader of HDPE Tarpaulin, LDPE Tarpaulin, LLDPE Granule, etc. The company has more than a decade of vast expertise and experience in the respective domain. Loyal customer base is nothing less than a treasure that every company must keep safe. It is a tough job to attract new customers, but what we think is keeping existing customers glued to the company for forever is much more expensive in terms of money, time, and customer services. Continuous investments in research and development make way for the development of innovative and productive solutions for meeting the varied growing demands of our clientele.

HKC Plast Industry is a prominent company that has more than a decade of experience in a wide variety of applications from agriculture to construction and then to packaging and logistics. HKC Plast Industry is a leading manufacturer and trader of HDPE Tarpaulin, LDPE Tarpaulin, LLDPE Granule, etc. We have successfully carved out a niche in this competitive market of plastics through a vast portfolio of products, innovation, and customer satisfaction. We are proud of developing long-term relationships with clients, understanding their needs, and providing timely and reliable support throughout the entire buying process.
