About Us

Vintage Steel is an active and rapidly growing business, with a commitment to providing top-quality steel products to markets nationally. As a reliable trader and supplier of steel materials and industrial products serving the evolving needs of modern infrastructure and engineering sectors, we are the go-to for steel materials. We set out on this journey with a clear mission to be a sourcing partner to others who are seeking a consistent supplier, with an emphasis on quality, value, and reliable delivery. Our strength, as an organization, is rooted in our ability to source from reputable manufacturers, while supplying to conform to our customers' specifications and delivery schedules. Whether it is a one-off need, or a bulk and on-going requirement, we provide an experience that is flexible, efficient, and most importantly, honest.

Founded in 2023, Vintage Steel is a trusted trader and wholesale supplier of quality steel materials and industrial components. Our experienced team with extensive vendor partnerships provides the ability to service a variety of industries while our commitment to service, quality and customer satisfaction our core values. With a focus on doing business ethically and building long-term partnerships, we hope to be your go-to sourcing partner for your business in India.
