About Us

Welcome Chemicals is a renowned company of the market, growing with whooping annual turnover of INR 2.5 Crores. Our 2007 formed company stands tall among the eminent manufacturers, suppliers and exporters of Magnesium Oxide Powder, Red Oxide Powder, Brass Powder, Calcite Powder, Aluminium Oxide, Zinc Phosphosphate, Dolomite, Ferro Manganese LC, Magnesium Oxide Powder, Red Oxide, Talc Powder, etc. Processed from superior quality ingredients in tandem with the national norms, these are assured of having excellent quality. Our products are extensively appreciated among customers for their longer shelf life, effectiveness and balanced composition.

Apart from outstanding product-line, sincere efforts of our personnel towards meeting the demands of the clients have made us earn reputation in the today's competitive chemicals market. We maintain transparency in the deals, which is helping us in winning hearts of the large number of customers. Our company is attaining tremendous popularity in the domain, following the path guided by the mentor, Mr. Rajesh Vadher. His business acumen, regular motivation to employees and charismatic managerial skills have helped us in making our special mark in the domain.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	vermiculite,graphite powder,red oxide,zinc borate,zinc phosphate,magnesium oxide,calcined alumina,aluminium oxide
No of Staff	10
Year of Establishment	2007
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	As Per Client Requirements.
Memberships	UDYAM-MH-33-0007102, CRISIL RATING - TRUST SEAL:
ProductRange	vermiculite,graphite powder,red oxide,zinc borate,zinc phosphate,magnesium oxide,calcined alumina,aluminium oxide

Our Products

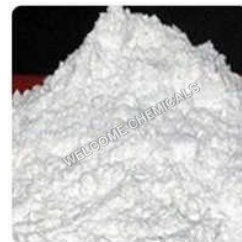

Quartz Sand

Diatomaceous Earth

Calcite Powder

China Clay

Talc Powder

Calcined Kaolin

Aluminium Silicate

Aluminium Oxide

Zinc Phosphate

Magnesium Oxide Powder

Red Oxide

Graphite Powder

Dolomite Minerals

Zeolite Powder

Calcium Carbonate PPT

Whiting Powder
