About Us

Unlock your business's potential with Zambezi Chemicals, a leading manufacturer and supplier of premium chemical solutions for diverse industries. We have been serving clients with high-quality products tailored to meet specific requirements. Our company is dedicated to fostering innovation, sustainability, and excellence in every aspect of our operations. Whether you aim to enhance productivity in agriculture, optimize pharmaceutical processes, or improve industrial efficiency, our products are designed to empower your success.

We take pride in our extensive product range that meets the requirements of multiple sectors. Our offerings include Agriculture Fertilizer, Electroplating Copper Sulphate Powder, Pharmaceutical Raw Material, Non Ferric Grade Aluminium Sulphate, Calcium Chloride and many more. We prioritize eco-friendly practices, ensuring that every product we manufacture supports environmental well-being. By combining advanced technology with sustainable methodologies, we offer solutions that align with modern industry demands.

Our commitment to innovation drives us to continually refine our processes and expand our offerings to cater to our client's ever-evolving needs. With us, you can expect not just products but partnerships that promote growth and environmental stewardship.

Our Products

Sodium Sulphate Powder

Electroplating Copper Sulphate Powder

Ferrous Sulphate Powder

Manganese Sulphate Powder

Blue Copper Sulphate

Zinc Sulphate Powder

Blue Copper Sulphate Powder Fertilizer

Aluminium Sulphate

Ammonium Sulphate Powder

Blue Copper Sulphate Powder

Calcium Chloride

Non Ferric Grade Aluminium Sulphate

ADDRESS

**F10, Silver Complex, Kosamdi
Road, Ankleshwar, Gujarat, India
(393003).**
