About Us

As a leading business entity, our company is in the field of providing innovative & cost effective solutions to the machinery and equipment needs of various industries. Started in the year 1975, we, S S Chemical Equipments Industries are a reputed manufacturer and exporter of various Chemical Processing Equipment such as Reaction Vessel, Centrifuge, Ribbon Blender, Sigma Mixer, Condenser (Heat Exchanger), Pressure Vessel System, Plough Shear Mixer, Ribbon Blender System, Storage Tanks, Mixers, Filters, Mill, Plodders, etc. These products are used in several application areas like Bulk Drugs, Plastics, Food Processing, Polymers, Chemicals, Adhesives & Coatings.

Being an ISO 9001 : 2008 certified organization, we always offer qualitative range of machines to our clients, at competitive prices. We also undertake development of various equipment as per the customers' drawings, designs and specifications. We have a good team of qualified production personnel like X-ray welders, fitters, & engineer, who are working sincerely and put their best effort towards the growth of our organization.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	evaporative condensers,jacketed vessel,colloid mill,commercial mixer grinder,horizontal peeler centrifuge,industrial pressure vessels,sigma mixer,sparkler filter,Horizontal Plate Filter Press Sparkler Filter,Vibro Shifter
No of Staff	40
Year of Establishment	1975
OEM Service Provided	No
ProductRange	evaporative condensers,jacketed vessel,colloid mill,commercial mixer grinder,horizontal peeler centrifuge,industrial pressure vessels,sigma mixer,sparkler filter,Horizontal Plate Filter Press Sparkler Filter,Vibro Shifter

Our Products

3 Point Manual Bottom Discharge Centrifuge

Mass Mixer

Three Point Bag Lifting Top Discharge

Sparkler Filters Machine

Three Point Manual Top Discharge Centrifuge

Sparkler Filters

Zero Holdup Sparkler Filter

Contra Mixer

Reaction Vessel

Contra Mixer

Jacketed Reaction Vessel

Flakers

Limpet Coil Vessel

Ribbon Blender

Pilot Scale Centrifuge

Drum Flakers

ADDRESS

**C-1-B, Hatkesh Udyog Nagar,
Kashimira - Bhayandar Road,
Mira Bhayandar, Maharashtra,
India (401104).**
