About Us

Omega Cabin is one of the leading Manufacturers and Suppliers who specialize in portable solutions such as Portable Cabins, Portable Bunk Houses, Used Containers, and Office Containers. Formed in 2019, situated in Thane, Maharashtra, we have become leaders with quality and innovation being the focus for the company in the prefabricated structures industry. We boast an extensive product range available for customization to suit every client's requirement from varied industries.

At Omega Cabin, we pride ourselves on using high-quality materials and advanced manufacturing techniques to ensure durability and functionality. Our team is dedicated to providing exceptional customer service, guiding clients through the selection process to find the perfect portable solution for their requirements. With a focus on sustainability and efficiency, we aim to deliver products that not only enhance operational capabilities but also contribute positively to the environment.
