FLUCONAZOLE

About Us

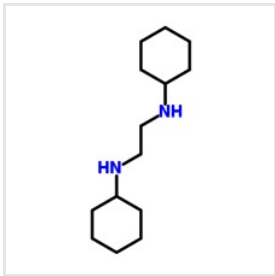

By working on development and formulation of new chemical products with innovative concept, we, Surya Life Sciences Ltd. have carved a niche in our segment of operational activities. Established in the year 2002, the company has earned immense appreciation as a manufacturer, exporter, and supplier of a wide assortment of highest quality bulk drug intermediates and fine API chemicals throughout the global market.

Our products are used in wide range of industries such as Pharmaceuticals and APIs, Agrochemicals, perfumery, Fragrance & Bulk intermediates. Today besides supplying our range all over India, we export our products to American, European, African & East Asian Countries.
